

# 2017 JUNIOR GOLF PROGRAM INFORMATION SHEET

**Family Fun Day is Sunday, May 7<sup>th</sup> – FREE family fun and activities from 12-3!**

**Junior Lessons - Monday, May 22, 29 and June 5, 12 2017**

**\$25/child, free with paid Junior membership (\$120)**

*\*If Junior decides to get a membership at a later date, lesson fee will be applied to the membership fee.*

Please arrive early on May 15<sup>th</sup> to sign in and get directed to the right location, the first lesson is always very busy as we get everyone organized and to the correct location. No equipment is required but your child is welcome to bring their clubs for Learn to Play or Train to Play.

<b>Which class is right for your Junior?</b>	
<b>Active Start, 5:30 – 6:00</b>	<b>SNAG, 5:30 – 6:15</b>
<p>Ages 4 and 5            Uses Starting New at Golf (SNAG) system of oversized clubs and tennis balls            Songs and target games and an introduction to ball striking, focus on fun and basics of holding the club and making contact            Parent participation encouraged while using SNAG system (not required but is very helpful to ensure children get enough individual support)</p>	<p>Ages 6 - 8            Uses Starting New at Golf (SNAG) system of oversized clubs and tennis balls            Best starting point to learn proper technique and have immediate success with ball striking, children instructed in smaller groups of 8-10 students            Able to participate without parent present            Focus is on learning proper swing technique and covers driving, chipping, pitching and putting</p>
<b>Learn to Play, 5:30 – 6:30</b>	<b>Train to Play, 6:30 – 7:30</b>
<p>Ages 8 &amp; up, beginners            Have experience with golf, previous experience in SNAG encouraged at younger ages or have used real clubs and are able to make contact            Uses real clubs (junior size – provided if child does not have clubs) and golf balls  <b>** Due to class sizes and use of real clubs and balls, child needs to be able to work within a larger group and follow the direction of the Leader</b>            Focus is on learning proper swing technique, covers the different elements of the game to further refine skills</p>	<p>Ages 9 &amp; up, intermediate            Have previous golf experience, has played on course and keeps own score            Uses real clubs (junior size – provided if child does not have clubs) and golf balls            This is an intermediate level class which assumes a basic level of skill with making contact with the ball, understanding of basic rules of golf            Focus is on further developing swing technique, when to use different clubs/shots and covers the different elements of the game</p>

We are always looking for support to ensure the program's success. If you are able to help out, you can be paired with experienced instructors. No previous golf experience required, we just need to ensure we have enough adult supervision for safety.
